

SRT 800 RX

SRT 800 RX Introduction

Wild Dominance Conquering the Extreme

When the earth trembles beneath you and the wild wind howls past your ears, this is the symphony of the brave.

Mount the SRT 800 RX - crushing gravel, carving through mud, every clash between tire and terrain writes a new legend.

No boundary can contain your ambition; no terrain can halt your journey.

DESIGN Look

Steel Strength, True Grit

A

B

A. High-Mounted Fender with Sharp Front End

Bold, smooth lines create a commanding presence with striking visual impact

B. Hardcore Geometry Design

Distinct body contours and sleek LED headlights create an aggressive front look.

EQUIPMENT

Features

Conquer Any Terrain, Rule Every Domain

210mm

A

B

A. 210 mm Ground Clearance

Rugged mountain roads or muddy pot-holes, all handled with ease. No scraping, no stopping.

Higher stance, bigger ambitions.

B. 21" Front/18" Rear Spoked Wheels + High-Performance Off-Road Tires

High-strength support withstands extreme impacts; professional-grade off-road tires for fierce grip that crushes gravel and mud like flat ground.

Untamed Heart, Relentless Power

The SRT 800 RX features an inline twin-cylinder 799cc engine, delivering abundant low-end torque and precise throttle response to conquer unpaved terrain with ease. Whether navigating gravel bumps, muddy slides, or demanding steep climbs, the robust mid-to-low range power output provides consistent, reliable traction - making wilderness adventures feel effortless.

Maximum power

70kW/8500rpm (95.2ps)

35kW/6000rpm (47.6ps)

Maximum torque

87 N·m/6750rpm

60 N·m/5250rpm

Seamless Rider-Machine Harmony

Engineered for multi-terrain scenarios with front inverted Marzocchi forks + rear pre-load-adjustable suspension, ensuring riding comfort and performance across all conditions and terrains.

Ergonomic riding comfort
Revolutionary ADV rider triangle ensures an upright posture, relaxed arms, and naturally positioned legs, delivering lasting comfort whether you're cruising the highway or navigating the wild.

Ultimate Braking Total Control

Front and rear Brembo high-performance calipers deliver serious braking power (optional), bringing riders to a confident stop even from high speeds

Dual-channel ABS handles muddy lockup and gravel slides with ease!

Wild performance, total safety - stop on command, ride without limits!

Long Range Worry-Free Adventure

21L Large-Capacity Fuel Tank

Large tank capacity ensures long-distance range, reducing fuel stops - fearless on extended expeditions.

Features Crafted from the Heart

5" Portrait TFT Display

User-friendly UI design with comprehensive data display, multi-language menu, smart phone connectivity, navigation display, tire pressure display, and more
