GSX-R1000

GSX-R1000R

Genuine accessories represent a fun and practical way to customize and personalize the GSX-R1000/R. Riders can freely choose from this line-up of items to enhance comfort and utility, and achieve their desired look.

1 Single Seat Cowl

Change the appearance of your motorcycle with this Single Seat Cowl.

2 Winglet

Thoroughly tested design that employs dry carbon produced in Japan.
*The winglets are the same airfoil as used by Team SUZUKI CN Challenge in the Suzuka 8 Hours Endurance Race 2024.
(Note: Some differences from the race spec exist in terms of shape of mounting area and material, etc.)
*Generates front-end downforce at high speeds, which contributes to stability.
*Custom designed for optimum performance and fit on the GSX-R1000/R.

3 Billet Brake Lever

Machined from high-end billet aluminum and decorated with the Suzuki “GSX-R” logo. This black anodized lever provides a more sporty look to the motorcycle. The lever position can be regulated in 5 steps by smoothly working adjuster, anodized with red color.

4 Billet Clutch Lever

Machined from high-end billet aluminum and decorated with the Suzuki “GSX-R” logo. This black anodized lever provides a more sporty look to the motorcycle. The lever position can be regulated in 3 steps by smoothly working adjuster, anodized with red color.

5 Brake Lever Guard

Made of high-end billet aluminum and plastic. With Suzuki “S” logo.
*Not in combination with handlebar balancer.

6 Clutch Lever Guard

Made of high-end billet aluminum and plastic. With Suzuki “S” logo.
*Not in combination with handlebar balancer.

7 Handlebar Balancer

Made of iron and aluminum with Suzuki “S” logo. Set of right and left side. The color is blue.
*Not in combination with brake lever guard and clutch lever guard.

8 Handlebar Balancer

Made of iron and aluminum with Suzuki “S” logo. Set of right and left side. The color is red.
*Not in combination with brake lever guard and clutch lever guard.
